

HONOURS IN CHEMISTRY (total: 84 credits)

First Year Courses (21 credits)	Introductory Chemistry Math Physics Biochemistry	1001, 1021 1111, 1121 1051, 1551 1001
Core Courses (any 12 credits)	Organic Physical Inorganic Analytical	2111 2211 2311 2411
(any 12 credits)	Organic Physical Inorganic Analytical	2121 3231 3321 3421
(3 credits)	Math	from Mathematics at the 2000 level**
Advanced Chemistry Courses (any 24 credits)	Organic Physical Inorganic Analytical Environmental Special Topics Selected Topics Biochemistry	3111, 3121, 3131, 4131, 4141 3241, 3251, 4211, 4241, 4261 3331, 3361, 4341, 4351 4431 4521 4701 4801 2001
Honours Courses (9 credits)		4903, 4990

Note: **MATH 2111 is required for CHEM 3241 which is a requirement for taking additional upper year Physical Chemistry, including CHEM 3251, 4211 and 4241.
