Course Evaluation Form

Course and section _____ Instructor _____ Date: _____

You are invited, during the next 15 minutes, to comment upon the course content and upon its method of instruction. Your comments can be highly valuable in helping the instructor to improve the course design and the way it is taught.
The evaluation will be forwarded to the instructor after grades have been submitted to the Registrar. Your evaluation will be used only by the instructor, and no other record of it will be kept.

Have you attended classes for this course regularly or irregularly? _____

Please comment on the course content.
Suggestions: timing and location of classes, the course outline, texts and other materials, course assignments (too many? too few? too difficult? too easy?), balance among the issues covered. How well were you prepared for the course content? Do you feel you have learned much from the course? What do you like most about this course? What needs improvement? Can you suggest any changes?

(please turn over)

Please comment on the method of instruction.
Suggestions: instructor's classroom style (lecture style, handling of questions, encouragement of student participation), fairness in setting and grading assignments and exams, availability for help outside of class.
