Part I: General Information and Admissions

1 WELCOME TO MOUNT ALLISON UNIVERSITY

Mount Allison has built a reputation through the success of its students, faculty, staff, and graduates. Every year students like you come to campus from across Canada and around the world to be part of a living and learning community that fuels passions and ignites new interests.

The University offers a broad interdisciplinary knowledge base with more than 40 programs. With smaller class sizes and access to world-class faculty, students gain hands-on learning opportunities that combine practical experience, the application of learning to real-world situations, and skills development.

Along with our own award-winning faculty and resources, Mount Allison is also part of the Maple League with Acadia, Bishop's, and St. Francis Xavier Universities. The Maple League is a co-operative initiative to promote and extend common objectives of providing students with a high quality undergraduate university education in a residential setting.

OUR MISSION

Mount Allison University is committed to the creation and dissemination of knowledge in a community of higher learning, centred on undergraduate students, in an intimate and harmonious environment. Our teaching, research, and creative enterprise are combined with extracurricular activities in a liberal education tradition that emphasizes development of the whole person. This integrated approach involves collaborative efforts among all members of the University community and leads to superior scholarship, cultural understanding and appreciation, personal and social maturation, leadership development, and informed citizenship.

WELL-ROUNDED STUDENTS IN A TIGHTLY-KNIT COMMUNITY

Mount Allison is an undergraduate liberal arts and science university with an enrolment of approximately 2,200 full-time students. It has preserved the character of a compact, scholarly community to foster excellence in teaching, mentoring, and student-centred research.

Students enjoy a close-knit community along with diverse extracurricular experiences. Along with a dynamic athletics program with varsity, club, and intramural offerings, Mount Allison has approximately 150 student-run clubs and societies.

Mount Allison has one of the strongest records among Canadian universities of Rhodes Scholars (55 in 2018) and enjoys a high number of external awards for both scholarships and research among its students and faculty members.

Notable alumni include Christopher Pratt, the late Mary Pratt, and the late Alex Colville; national broadcaster Ian Hanomansing; opera singer Sally Dibblee; Harvard Medical School professor Dr. Marc Pelletier; performance consultant and psychologist Dr. Kimberley Amirault-Ryan; award-winning singer/songwriter David Myles; and former lieutenant-governors of New Brunswick Margaret McCain, Marilyn Trenholme Counsell, and Herménégilde Chiasson, as well as Nova Scotia Lieutenant-Governor John James Grant.

THE FACULTY

The University's faculty is talented and dedicated, exemplifying a strong blend of teaching and research. Mount Allison faculty ranked first in the country for faculty awards (Maclean's 2018 University Rankings) and seven professors have been named National 3M Teaching Fellows, Canada's highest national teaching distinction, while at Mount Allison.

Along with teaching, many faculty members also pursue research projects directly with their students, giving Mount Allison students unprecedented research experience at the undergraduate level.

AN EDUCATION SUITED TO THE 21ST CENTURY

Mount Allison offers Bachelor's degrees in Arts, Science, Commerce, Fine Arts, and Music, as well as Master's degrees in Science and Certificates in Bilingualism; Diversity, Equity, and Inclusion; and Visual and Material Culture.

The Bachelor of Arts and Bachelor of Science degrees are achieved through completion of one of a specialized honours program; a major plus a minor; a double major; or a general degree of three minors. In addition, each Arts and Science student takes at least six credits from each of four distribution areas of Arts and Letters, Humanities, Science, and Social Science.

Mount Allison is a liberal arts institution. A liberal arts and science education allows you to gain a broad knowledge base and combine your interests in interesting and surprising ways. It teaches you how to learn, think, understand, adapt, problem solve, communicate, work with people, and tackle today's and tomorrow's challenges. It is a solid foundation for any career you may choose to pursue.

A degree from Mount Allison, or a few carefully selected courses or electives as part of a Mount Allison degree, may permit admission to a professional program. Some of these programs include medicine, dentistry, pharmacy, veterinary medicine, law, education, theology, social work, audiology and speech therapy, occupational physiotherapy, optometry, architecture, and nutritional programs as well as many others. These professional programs may be accessed upon successful completion of courses or a degree from Mount Allison and in combination with other requirements as appropriate (e.g. LSAT, MCAT, GRE, etc.).

Mount Allison also is focused on providing experiential or hands-on learning opportunities - the chance to apply what you have learned in the classroom to real-world situations.

A REPUTATION FOR LEADERSHIP

For more than a century, Mount Allison has been recognized as a leader. Mount Allison was the first university in the British Empire to confer a Bachelor's degree on a woman - Grace Annie Lockhart received a Bachelor of Science in 1875. It was also the first university in Canada to grant a Bachelor of Arts to a woman - Harriet Starr Stewart in 1882.

Mount Allison boasts the oldest university art gallery in Canada; was the first Canadian university to offer a Bachelor of Fine Arts and a Canadian Studies program; and it is a pioneer in the establishment of services for students with learning disabilities through the award-winning Meighen Centre. It has consistently been ranked among the top undergraduate universities in Canada by Maclean's magazine since the rankings' inception in 1991. A high-calibre faculty, outstanding students, and financial stability are among the reasons why.

HISTORICAL SKETCH

Founder Charles Frederick Allison's grandfather emigrated from Ireland in the late 1700s, as a result of a dinner with the local tax collector. Wanting to impress him, the family set the table with their one valuable possession, a set of silver spoons. After entertaining their guest, the Allison's were informed that if they could afford silver spoons, they could afford to pay more taxes. They left Ireland shortly thereafter. The spoons are on display in the R.P. Bell Library at Mount Allison.

In June 1839, Charles Frederick Allison, Sackville merchant, proposed to the Wesleyan Methodists that a school of elementary and higher learning be built. His offer to purchase a site in Sackville, to erect a suitable building for an academy, and to contribute operating funds of 100 pounds a year for 10 years was accepted. The formal opening of the Mount Allison Academy for boys took place in 1843. In 1854, a branch institution for girls opened. In July 1862, the degree-granting Mount Allison College was organized. The first two students graduated in May 1863. For nearly a century, Mount Allison functioned as three distinct, mutually enriching parts: the College proper, the Boys' Academy and the Ladies' College.

Mount Allison has a long and proud tradition, and part of that tradition has been the ability to evolve and adapt to new and changing demands. It is very much a university of the 21st century, while remaining the direct and recognizable descendant of the first Academy of 1843.

ONE OF THE MOST BEAUTIFUL CAMPUSES IN CANADA

Nestled in the heart of the Town of Sackville, Mount Allison has one of the most beautiful campuses in the country.

The majority of campus buildings are clad in distinctive red and grey sandstone – much of it quarried right here in Sackville – giving students and visitors the impression of having stepped back in time. But behind the ivy-covered stone exteriors are modern and state-of-the-art facilities. In particular, the recently constructed Purdy Crawford Centre for the Arts provides purpose-built space for fine arts and drama, while the Gairdner Building was completely refurbished in 2018 to create a life sciences research centre. There have also been recent significant upgrades to a number of classrooms and laboratories across campus.

One of the highlights of the 77-acre campus is Ladies' College Park, located next to the Conservatory. The park is known for its century-old man-made pond, which serves as a skating rink in winter and as the backdrop for graduation and wedding photographs in spring and summer. The campus has an abundance of green space showcasing a wide variety of trees, shrubs, and flowers – the perfect setting for studying or meeting up with friends.

Corequisite

A course which must be taken at the same time as another course

A prerequisite states the requirement that must be completed or waived before registration in a course is permitted. This requirement may consist of one or both of the following:

The University is interested in applicants possessing a strong academic record, leadership skills, a high level of commitment, and the potential for personal growth. Among the additional information requested from applicants will be evidence of extra-curricular involvement, volunteer activities in school and in the community, work experiences, and letters of reference.

4.3.6 Method of Payment

In order to improve service to students by avoiding line ups, the University strongly suggests that students pay using on-line banking.

Information about fee payment is available on the web at http://mta.ca/Registrars_Office/Tuition_and_fees/Fee_payment/Fee_payment/. Cheques, bank drafts or money orders, made payable to "Mount Allison University", can be mailed to the Registrar's Office or placed in the drop box located at the Registrar's Office. Fees may also be paid through telephone banking or on-line services. For information please contact your bank. Due to the costs involved for the University, and ultimately for its students, payments by credit card are not accepted.

4.3.7 Reducing the Amount of Payments

There are three circumstances in which students can reduce the amount of the above payments. The first is when students have been awarded **Mount Allison** scholarships and bursaries; please refer to the offer letter for information regarding disbursement. The second is when students have proof of the amount of the Canada Student Loan they will receive. The third is when students have an external sponsor **who will be invoiced by the University**; this category does not include external scholarships and bursaries.

When the amount paid has been reduced because students will receive a loan from the Canada Student Loans Program or have external sponsorships, temporary registration status will be granted. **It is the student's responsibility to ensure that government or sponsorship funding is received by the University by September 30 or January 31, as the case may be.** If the University has not received the funds by these dates, students must make temporary financial arrangements through some other source to meet their financial obligations to the University or contact the Financial Aid and Awards Counsellor in the Registrar's Office to discuss bridge financing.

4.4 LATE FEES AND INTEREST CHARGES

4.4.1 Late Processing Fees

- Late Registration Deposit Processing Fee - A \$50 late payment processing fee may be charged if the University does not receive the Registration Deposit from returning students by the due date.
- Late Letter of Permission Processing Fee - A \$25 late processing fee may be charged for Letters of Permission issued on a retroactive basis (see 10.5.1b)
- Late Registration Fee - Under exceptional circumstances, an Academic Dean in consultation with the instructor, may approve late registration in a course. In such cases, a \$200 Late Registration Fee may be charged.

Note: Students who are considered to be Covered Individuals by the US Veterans Benefits and Transition Act of 2018, section 3679 of title 38 and are therefore entitled to educational assistance under Chapter 31, Vocational Rehabilitation and Employment, or Chapter 33, Post-9/11 GI Bill benefits, are excluded from these financial penalties.

4.4.2 Services Reinstatement Fee

University services may be revoked in the case of dishonoured payments or failure to meet the defined payment schedule. Students wishing to have their services reinstated, including reinstatement of their academic program, may be charged a services reinstatement fee of \$100.

Note: Students who are considered to be Covered Individuals by the US Veterans Benefits and Transition Act of 2018, section 3679 of title 38 and are therefore entitled to educational assistance under Chapter 31, Vocational Rehabilitation and Employment, or Chapter 33, Post-9/11 GI Bill benefits, are excluded from these penalties for amounts owing.

4.4.3 Interest Charge

Interest will be applied to outstanding balances at the rate of 1% per month (12.68% per annum compounded).

Note: Students who are considered to be Covered Individuals by the US Veterans Benefits and Transition Act of 2018, section 3679 of title 38 and are therefore entitled to educational assistance under Chapter 31, Vocational Rehabilitation and Employment, or Chapter 33, Post-9/11 GI Bill benefits, are excluded from this financial penalty for any balance owing in the amount equal to such educational assistance.

4.4.4 Appeals of Academic Standing

Letters of appeal from students appealing their academic standing at the end of the academic session will only be forwarded to the Admissions and Re-admissions Committee for consideration if there are no outstanding fees payable on the students' accounts.

4.4.5 Late Payment Fee

A \$75 late payment fee will be added to accounts not paid in full by the prescribed due dates in 4.3.3 and 4.3.4.

4.5 WITHDRAWALS AND STUDENT ACCOUNTS

4.5.1 Withdrawals Fall and Winter

Absence from classes does not constitute withdrawal.

Full-time and part-time students who wish to withdraw from individual courses can do so using the Register and Drop Classes feature in Connect@MTA.

Students who wish to withdraw from all courses in a single term or all courses in multiple terms must complete the University and/or Residence Withdrawal Request in Connect@MTA. The date of withdrawal for the purpose of fee administration will be the date the withdrawal form is submitted. Students will receive email confirmation when the withdrawal form has been received.

There will be no fee charged for withdrawal from university by Friday of the second week of term. For withdrawals after Friday of the second week of term, fees will be calculated as 15% of the tuition for the term times the number of weeks or part weeks since the first day of classes. There is no credit (refund) given after the sixth week of classes.

Students changing from full-time to part-time status should contact the Registrar's Office regarding their fee obligations.

Any inquiries regarding the calculation/proration of tuition fees on academic withdrawal should be directed to Financial Services. The procedure concerning the calculation of any refunds for students with United States (FFELP) loans is available on the web at <www.mta.ca>.

4.5.2 Withdrawals Self-directed Distance Learning Courses

Full time students who wish to withdraw from a self-directed distance learning course that is part of their full time course load and for which they have not paid an additional fee over full time tuition, will only be eligible for a refund if their status changes to part time. These students should contact the Registrar's Office regarding their eligibility for a credit.

All self-directed distance learning course refunds are calculated from the first day of the term and the withdrawal date of a course dropped through Connect@MTA. Fee credits will be calculated as the tuition fee paid for the course minus 15% times the number of weeks including the week of withdrawal, since the beginning of the term. There is no credit (refund) given after 6 weeks of registration.

Refunds will not be given to students who do not adhere to these deadlines.

4.5.3 Withdrawals - Spring Term Courses

Refunds are calculated from the withdrawal date of a course dropped through Connect@MTA. Within 24 hours of making a change students should confirm their registration on MY CLASS SCHEDULE. If it does not reflect the addition, change, or deletion, or if students have problems viewing their schedule through Connect@MTA, they should contact the Registrar's Office.

There will be no fee charged for 3 credit courses having 2 classes per week dropped up to and including the last day for change in registration.* Fee credits will be calculated as the tuition fee paid for the course minus 15% times the number of classes including the week

of withdrawal, since the course began. There is no credit (refund) given after 6 classes.

Refunds will not be given to students who do not adhere to these deadlines.

*Any course having more than 2 classes per week may be charged a withdrawal fee if dropped before the last day for change in registration. These courses may also be calculated differently for withdrawals. Please see the Registrar's Office.

4.5.4 Residence and Meal Plan Withdrawals

Students wishing to withdraw from residence and/or the meal plan must complete the University and/or Residence Withdrawal Request in Connect@MTA. Students will receive email confirmation when the withdrawal form has been received. The date of withdrawal for the purpose of fee administration will be the date students have checked out of residence and keys have been returned, whichever is later.

The student's account will be adjusted to reflect residence and/or meal plan charges as follows:

Month of withdrawal:

September 1-14 (plus Aug. 24-31)	20% of the full year cost
September 15-30	40% of the full year cost
October	50% of the full year cost
November	60% of the full year cost
December	70% of the full year cost
January	80% of the full year cost
February	90% of the full year cost
March	97% of the full year cost
April	100% of the full year cost

Students entering residence and/or meal plan for one term will have their accounts adjusted to reflect residence and/or meal plan charges as follows:

Month of withdrawal, as determined above:

September or January	50% of term cost
October or February	75% of term cost
November or March	95% of term cost
December or April	100% of term cost

Students who decide during the winter holiday break not to return to the University in January must complete the University and/or Residence Withdrawal Request in Connect@MTA by December 31 to be treated for fee purposes as a December withdrawal. This may be done even if University offices are closed. Any student who wishes to consult with a University staff member before making this decision should contact the Student Life Office by email at <studentlife@mta.ca> or by phone at (506) 364-2255 leaving a voice mail message if University offices are closed.

Students entering residence and purchasing meal plans in the middle of a term who subsequently withdraw should contact the Registrar's Office regarding their charges for the term. Any inquiries should be directed to the Registrar's Office by email to <regoffice@mta.ca> or by phone call to (506)364-2269.

4.5.5 Payments to Students from their Accounts

Payments will only be made to students from their accounts with the University if, and to the extent that, their accounts have a credit balance. Students may forfeit a scholarship or bursary or residence bursary award from Mount Allison if they do not complete the Fall/Winter academic terms and this may affect whether there is a refund on withdrawal and the amount of any such refund. Furthermore, if any portion of a student's fees was paid by Canada Student Loan Program, the University is obliged to remit any refund upon withdrawal to the Canada Student Loan Program, or student's bank, for credit towards their government student loan.

4.5.6 Required to Withdraw

Students required to leave the University or its residences for failing to meet the required payment schedule, or for academic or disciplinary reasons, will be required to complete the withdrawal process and will be responsible for the charges detailed in sections 4.5.1, 4.5.2, 4.5.3, 4.5.4 and 4.5.5.

5 FINANCIAL ASSISTANCE

5.1 SCHOLARSHIPS

Mount Allison is interested in attracting the most well-rounded and involved student citizens from across Canada and abroad every year and is fortunate in being endowed with funds to financially reward and assist them in their studies. Every student has the opportunity to earn a scholarship, regardless of the degree program or the year of study. Mount Allison attempts to make scholarship funds available on an equitable basis across the entire student population.

5.1.1 Eligibility

The University awards scholarships to entering students for academic achievement and extracurricular involvement. Students need not apply for these scholarships, as consideration for scholarship eligibility is automatic and part of the Admissions process. All entering students who indicate the intention to pursue a course of study leading to a career as a medical doctor will automatically be considered for the Goodridge Scholarship. The deadline for application is March 1.

5.1.2 Entrance Scholarships

Scholarships awarded to entering students are tenable as long as the student is carrying a full course load of 30.0 credits over the Fall and Winter terms, and all other conditions of the award are fulfilled. Entrance scholarships range from \$1,000 to \$5,000.

5.1.3 The Bell Scholarship

Established in 2002 as the premier entrance scholarship at Mount Allison, the Bell Scholarship celebrates students who have demonstrated strong academic ability, leadership potential, volunteer work, extracurricular activities, work experience, and good citizenship. To be considered for this prestigious scholarship, applicants must ensure that the required documentation is submitted to the university along with the application for admission by the application deadline of March 1st. Six awards are offered with a value of \$56,000 and five awards are offered with a value of \$44,000. *Visit the Bell Scholarship web site for detailed information on how to apply.*

5.1.4 Scholarships for Returning Students

All students who attend Mount Allison will be considered for scholarships after their first year of study. The University General Scholarships will be awarded annually to students, not holding an entrance scholarship, enrolled in a full course load of 30 credits over the Fall and Winter terms and who achieve a GPA of 3.7.

5.2 BURSARIES

The Mount Allison bursary program provides assistance to full-time and part-time students who demonstrate financial need and who have exhausted all other avenues of support. Prior to applying for a Mount Allison bursary, applicants should apply to their province or country of residence for financial aid. Bursaries are awarded on the basis of financial need to students who have made satisfactory academic progress. Students needing assistance are encouraged to obtain an application form from the Registrar's Office web page under Financial Aid or contact the Financial Aid and Awards Counsellor.

5.2.1 Entrance Bursary Program

Mount Allison's Entrance Bursary Program has been established to offer assistance to students who have financial need in order to provide

access to post-secondary education and to help them successfully complete their studies within a reasonable time period. Bursaries "are determined based on financial need and are intended to supplement, but not replace, the student's own resources and the resources of the applicant's immediate family." Financial need is established when a student can demonstrate that his/her expenses exceed his/her resources. Students must first be accepted for admission at Mount Allison before the Entrance Bursary application is processed. Completed Entrance Bursary applications must be received by the deadline date each year, as noted on the application, in order to be considered. Students starting in January are not eligible for this award. To maintain their eligibility, students must also apply to their province for a student loan. Likewise, to maintain eligibility, international students from the United States must apply and be approved for a subsidized Direct Loan from the US Department of Education.

5.2.2 President's Advisory Committee International Student Entrance Bursary Program

The International Student Bursary Fund is administered by the President's Advisory Committee on International Students - Financial (PACIS-F) and offers a limited number of renewable International Student Entrance Bursaries to qualified applicants. In addition to financial need, applicants will be considered on a variety of factors such as academic standing and extracurricular involvement. In order to be considered for one of these awards, applicants must provide an outline of extracurricular activities and letters of reference that will support your application.

5.2.3 Senior Citizen Bursary Program

The Senior Citizen Bursary offers assistance to students 65 years of age or older who have financial need in order to provide access to post-secondary education and to help them successfully complete their studies within a reasonable time period. Bursaries "are determined based on financial need and are intended to supplement, but not replace, the student's own resources and the resources of the applicant's immediate family." Financial need is established when a student can demonstrate that his/her expenses exceed his/her resources. Students must first be accepted for admission and/or be enrolled at Mount Allison before the Senior Citizen Bursary application is processed. Completed Senior Citizen Bursary applications must be received by the deadline date each year, as noted on the application, in order to be considered.

5.3 PRE-THEOLOGICAL BURSARIES

Various forms of financial assistance are available to students at Mount Allison who intend to study theology and enter some form of Christian Ministry.

5.3.1 The Mount Allison Theological Fund

The Mount Allison Theological Fund is administered by the Pre-Theological student advisor and is used in a variety of ways for the benefit of pre-theological students. Monies from the fund are available to students in the form of loans and bursaries. Various denominations provide assistance to students in Arts who intend to study for some form of Christian ministry. Information can be obtained from the Pre-Theological student advisor. In addition, some theological schools offer scholarships and bursaries to students in Arts who undertake to study theology at the theological school concerned. Pine Hill Divinity Hall (the United Church component of the Atlantic School of Theology) offers grants to students preparing for the ministry in the United Church. Students must commit themselves to taking full courses in Theology at the Atlantic School of Theology and plan to work for at least two years thereafter for the United Church of Canada. Students who do not fulfill these conditions are expected to arrange for repayment of monies received.

5.3.2 Application Procedure

Advanced applications are not necessary for Pre-Theological bursaries, but students who wish to apply should contact the Pre-Theological student advisor at the beginning of the academic year.

5.4 INDEPENDENT STUDENT RESEARCH GRANTS PROGRAM

Mount Allison offers a generous Independent Student Research Grants program aimed at third year students entering their fourth and final year of study. These awards allow students to work on their own independently developed research or creative activity project, under the close supervision and mentorship of a faculty advisor. This is an opportunity to better understand research and creative activity methods and to actively engage in research and creative activities in areas of special interest.

5.5 THE DONALD CAMERON AND CLASS OF 1950 STUDENT LOAN AND ASSISTANCE FUND

Donald A. Cameron served this University as Registrar from 1959 to 1986, following a term as Assistant Professor of Education. He obtained a B.Sc. in 1950 from Mount Allison University. In 1952-53, he held a Lord Beaverbrook Overseas Scholarship and received a Diploma in English Educational Thought and Practice from the University of London in 1953. Upon his retirement as Registrar in 1986, and in recognition of his long and distinguished service, the University established the Donald A. Cameron Student Loan Fund from which students with financial need and good academic standing might be able to obtain assistance. Interested students may apply to the Financial Aid and Awards Counsellor.

6 CO-CURRICULAR LIFE

6.1 THE MOUNT ALLISON STUDENTS' UNION

The Student Union of Mount Allison is governed by the Students' Administrative Council (SAC). This is a body of elected and appointed persons who represent, organize, and plan for the interests of the students. However, the wider Mount Allison community benefits from many of the activities the SAC pursues.

The MASU represents the students through council with representatives from on and off campus, as well as the six member executive. There are also many other positions, appointed through council, that allow any student the opportunity to get involved. Many positions receive compensation in the form of small honoraria. The MASU also employs an administrator and an office manager to aid in its work. The MASU is located on the first floor of the Wallace McCain Student Centre.

Some of the services and events provided by the MASU include:

- Funding of Clubs & Societies and Academic Enrichment
- Orientation, Shinerama, Winter Carnival, the ASCARS
- Online Used Book Sale
- Off-Campus Housing Directory
- Extended Health and Dental Insurance; International Insurance
- Photocopying and faxes
- Publications: MASU Handbook/Agenda, Allisonian Yearbook
- Events, parties, seminars, and workshops

6.8 ACCOMMODATION

6.8.1 Residences

Mount Allison is a residential university with housing facilities available for approximately 50% of the student population. Each residence is unique and provides a positive living and learning environment, which promotes a balanced university experience. All first-year students who want to live in residence are guaranteed accommodation if deposit deadlines are met.

Since 1973 the University has offered co-ed residence facilities to its students. Bennett and Hunton offer single and double rooms while Edwards and Harper have single rooms. Single rooms with shared en-suite bathrooms are available in Bennett, Campbell and Bigelow. Single rooms with private en-suite bathrooms are available in Thornton. The newly renovated Windsor Hall is open for the 2019/2020 academic

year with single shared en-suite, single private en-suite and double en-suite rooms.

Our 10 secure residences offer common lounges, kitchens, study rooms and laundry facilities with high speed and wireless Internet, digital cable TV (except Windsor) and phone hook ups in each room (except Windsor; students provide the hardware). Typical room furnishings are a bed, desk, chair, closets, mini-fridge, lighting and shelving. Rooms in Bigelow, Windsor, and Thornton have microwave ovens. All en-suite style rooms in Campbell, Bigelow, Bennett, Harper, Thornton and Windsor have televisions provided.

Prospective students should note that the University cannot be responsible for personal property. Students are strongly advised to insure their personal belongings. As indicated in the Conditions of Residence Accommodation, pets, halogen lights, hot plates, wireless routers and networking equipment and firearms and explosive materials are not permitted in residence.

6.8.2 Residence Application Procedure

All first year students who wish to be considered for residence accommodation can apply using the application form found in the portal on the Housing website at <www.mta.ca/housing>. The residence application for new students opens November 1. A non-refundable residence application fee of \$50.00 is required to complete the application. Assignment of residence rooms is based on the date the \$100 registration deposit is received by the Registrar's Office up to March 6. The \$500.00 residence deposit must be paid by March 6 to be eligible for early residence room assignments. The \$500 residence deposit must be paid by May 3 to guarantee residence accommodation for September. Residence applications and deposits are accepted and rooms assigned after March 6 as they are received. For further information see Fees, Section 4.2.

Students are asked to take the time to answer all the questions on the application, as this helps in appropriate placement of students in residence. Provided incoming students have met all admission and deposit deadlines, they are guaranteed residence accommodation.

Students wishing to remain in residence for their second, third and fourth years of study can participate in the room draw process beginning early October. Students can choose to stay in the same room, move to another room in the same residence or move to another residence for the following year. The room draw application can be found by signing in to the housing portal at <www.mta.ca/housing>. There is no application fee for room draw.

Once a student enters residence, the student is responsible for the full residence, meal plan and services fees. If a student later withdraws from residence, the student will be entitled to the refunds detailed in Section 4.5 "Withdrawals and Student Accounts".

Students studying abroad should contact the Registrar's Office, <regoffice@mta.ca>, in January, if they wish to live in residence upon their return to Mount Allison.

6.10 RELIGIOUS LIFE ON CAMPUS

6.10.1 Introduction

Mount Allison is a church-founded university which affirms the partnership of faith and higher education. The Mount Allison crest declares that religion is a central and integral part of university life, and the University continues the commitment made in its founding to nurture the spiritual life of students. It supports and encourages personal spiritual development and affirms that university is a place to be awakened to the deep mysteries of life; the search for truth is a religious quest as well as an educational goal.

The chapel at Mount Allison, located at the heart of the campus, is a visible symbol of the commitment of the university to the importance of faith in university life. It stands as a reminder that the university is committed to nurturing students as whole human persons.

While founded under Methodist direction, Mount Allison upholds freedom of religion and creeds. Chapel worship and activities are ecumenical by design; the Office of the Chaplain is intended to be an ecumenical appointment, responsive not only to the many Christian denominations represented on campus but to the diversity of religious traditions. The Chaplain is open to engaging students of all religions in faith development.

6.10.2 The Chapel

The Chapel on campus is a refuge and a retreat in the midst of the activity around it; it is open daily for quiet reflection or prayer. Its exterior design makes it accessible from any direction on campus; the interior design naturally draws the eye upwards. The chapel is used primarily for worship, but individuals and groups associated with the university may arrange with the Chaplain for the use of the chapel for purposes that reflect the goal of nurturing religious life on campus.

The chapel was built and dedicated in 1965 through the initiative and generosity of the Rev. C.H. Johnson, and with the support of many other alumni, friends of the university, church people of the region and other individuals and institutions.

The organ is a gift of a former Chancellor, Dr. Ralph P. Bell, in memory of his mother. The stained glass windows were given by Marjorie Young Bell. A permanent record of the gifts is found in "The Book of Remembrance" in the narthex of the chapel. A small meditation room for private or small group prayer or worship is located to the right of the front of the sanctuary; the Chaplain maintains a study to the left side. The Manning Room in the basement is named for the generous gift of Mrs. Gladys M. Manning, and is dedicated to the religious and social life of the campus.

A multi-faith prayer room is available in the chapel; this room is intended for private or small group prayer in a comfortable setting supportive of all religious traditions. A Muslim student group makes use of this prayer room every Friday.

6.10.3 Worship

Sunday evening worship services, or vespers, are held throughout the academic year. Other special services in the week take place through the year.

The Chaplain provides leadership in worship, drawing on students and other members of the University community. Students take an active role in the chapel programs, sharing in planning, preparing and leading worship.

6.10.4 The Chaplain

The Chaplain oversees the Chapel and its programs and worship; the mandate of the Chaplain goes beyond worship and extends to nurturing spiritual life on campus to include counsel and comfort for those needing encouragement or support, to being a refuge to those in need, to enriching University life. All the work of the Chaplain is undertaken regardless of the religion, ideology or faith of those who seek. The Chaplain is appointed by the University and serves as Chaplain to the whole community, including both students and employees, with a responsibility to speak to the university as well as from within it.

6.10.5 Student Groups

Students engage in their faith pilgrimages in many ways, and the University provides ample opportunity to develop in faith. The Chapel services give opportunity to share in worship and develop leadership abilities; the Chapel Choir provides a way to express faith in music. Student groups operate autonomously, but often in conjunction with the Chaplain.

Inter-Varsity Christian Fellowship has an active group that offers fellowship, singing, Bible study and prayer. The Student Christian Movement is also very active, and encourages students to translate Christian faith into action through issues of peace and social justice.

The Pre-Theology Society comprises those students who are considering ministry, and it meets occasionally for fellowship, study and mutual support.

6.10.6 Programs

Religious awareness and spiritual development are the concern of a variety of programs initiated by student groups, the Department of Religious Studies and the Office of the Chaplain. These may include guest lecturers, forums for dialogue on religious matters, and other special events.

7.3 THE MOUNT ALLISON FEDERATED ALUMNI, INC.

The Alumni Society of the Mount Allison College and Academy was established in 1874. The Alumnae Society of the Mount Allison Ladies College was organized in 1871. In 1937, the two societies united and, by an Act of the New Brunswick Legislature, formed the Mount Allison Federated Alumni, Inc.

Throughout the years, Alumni have given generously of their time, talents, and resources to continue Mount Allison's tradition of outstanding liberal education.

Operating from Centennial Hall, 65 York Street, the Alumni staff keeps records of more than 20,000 Allisonians, produces and distributes the Mount Allison Record, and maintains liaison with graduates, non-graduates, and friends throughout the world.

The Federated Alumni elects 4 members to the Mount Allison Board of Regents.

For more than a century, Allisonians have undertaken to provide strong support to a large number of Mount Allison endowments. Scholarships, bursaries, buildings, and equipment have all benefited from the enthusiastic assistance of the University's alumni.

The Federated Alumni is active in recruiting students and is ready to assist the University, parents, and prospective students in appropriate action to assure the continued enrolment of energetic and stimulating students.

9.2 ENDOWED CHAIRS

The University is fortunate in the number of endowed professorships that have been established, and is very grateful to those who, by generous gift or bequest, have made them possible. The endowment of a Chair is a highly valued means of supporting the University and a particularly wise investment in higher education.

Information about the endowed chairs is of historical significance, and of general interest, too. Some of it is summarized here.

9.2.1 Clement Chandler Avar and Florence Sybil Avar Chair in French Language

The endowment for this Chair was provided by a bequest from the estate of Clement Chandler Avar, 1875-1956. Born in Point de Bute, he graduated from the New Brunswick Teachers' College and Mount Allison, B.A., 1898. He was called to the Bar in New Brunswick in 1901 but did not practice. He established the Sackville Tribune in 1902 and the Tribune Printing Company in 1906, and continued in control of these companies until 1947. During his lifetime he served on the Board of Directors of several Maritime Companies.

He had a deep interest in education. For fifteen years he served as Chairman of the Sackville School Board. He was a member of the Board of Regents of Mount Allison for thirty-four years, and also served as Chairman. In 1948 he was honoured by Mount Allison University with a Doctor of Literature Degree.

The Chair, established in 1956, has been held by Allan MacBeth, B.A., M.A., 1956-1965; J. Gordon Andison, B.A., M.A., Ph.D., 1965-1970; Peter Edwards, B.A., M.A., Ph.D., 2005-2007, and Mark Lee, B.A., M.A., Ph.D., 2019-2024.

9.2.3 The Edgar and Dorothy Davidson Chair in Canadian Studies

Believed to be the first of its kind in Canada, the Edgar and Dorothy Davidson Chair of Canadian Studies was established in 1969. The Chair has been most generously endowed and is named in honour of Dr. Edgar Davidson and Dr. Dorothy Davidson of Ottawa.

Mr. and Mrs. Davidson have over the years gathered together a rich collection of Canadian books, imprints and manuscripts of great rarity and value and many fine examples of early Canadian glass, of Canadian furniture of the 18th Century, and of Canadian painting and sculpture of the 19th and 20th Centuries. In making the gift of this superb collection to Mount Allison, the donors stated that:

...we are prompted to make this gift in recognition of the great contribution made by the men and women of the Maritimes toward our national life from its early beginnings to the present time. We furthermore have selected a New Brunswick university because we believe that in this province more is done toward solving the crucial problem of achieving a bi-cultural life than anywhere else in Canada.

... We have been impressed with the splendid facilities and aims of Mount Allison and with what is done there for young people, not merely from an academic point of view but also from a cultural one.

The following scholars have held the chair since establishment: George F.G. Stanley, O.C., B.A., B.Litt., M.A., D.Phil., D-es-L., D.Litt., LL.D., D.C.L., F.R. Hist.S., F.R.S.C., 1969-1975; Douglas Grant Lochhead, B.A., M.A., B.L.S., D.Litt, LL.D., F.R.S.C., 1975-1987; Lawrence D. 9.2.4 Fred C. Manning Chair in Commerce

This Chair is named in honour of the late Fred C. Manning, an outstanding Nova Scotian industrialist and distinguished Allisonian whose generous bequest to the University made possible its establishment.

Dr. Manning was born in Falmouth, Nova Scotia and attended Mount Allison Academy 1909-1910. When presented for the honorary degree at the May Convocation at Mount Allison in 1955 it was stated:

... he is President and controlling owner of multimillion dollar businesses in the Maritimes, the Canadian West, and in far off Venezuela. Director of a score or more companies, Fred Manning's record stands as an inspiration and challenge to every ambitious young student in the Commerce Course, and effectively refutes the statement that there are no opportunities in the Maritimes.

Dr. Manning contributed to Mount Allison the cost of the Physics and Engineering Building, which is dedicated "to the advancement of Scientific knowledge." Mrs. Manning contributed funds for decorating and furnishing the Manning Room in the Chapel, as "an expression of her deep interest and concern for the religious life of the University Community."

Professor Dan C. Patridge, B.Sc., M.B.A., was the Fred C. Manning Professor of Commerce from 1971 to 1996.

9.2.6 The Pickard-Bell Chair in Music

This Chair was established in 1966 with a generous endowment from the estate of Winthrop Pickard Bell, B.A., M.A., Ph.D. This very substantial bequest to Mount Allison was in memory of Dr. Bell's mother, Mary Emerancy Pickard Bell, the first teacher of piano in the Conservatory of Music, 1873-1882. (In 1965 Dr. Ralph P. Bell, brother of Dr. Winthrop Bell, donated the Mount Allison Chapel Organ, also in memory of his mother). Mary Emerancy Pickard Bell graduated from the Mount Allison Ladies' College in 1866 with a degree of Mistress of Liberal Arts. From 1866-1869 she taught Literature, Mathematics and Calisthenics at the Ladies College, and in 1873 she joined the Faculty of the Conservatory of Music.

Winthrop P. Bell was one of Mount Allison's most illustrious and loyal graduates. An outstanding scholar, he graduated with honours in Mathematics, Bachelor of Arts and Master of Arts degree. He also earned an M.A. from Harvard and a Ph.D. from Gottigen, Germany. He lectured at the University of Toronto and at Harvard University, eventually returning to Nova Scotia to engage in business and pursue scholarly activities.

A loyal Allisonian and churchman, he annually supported the financial program of the university and encouraged classmates and friends to rally around their "alma mater." It is for one of his earliest works, composed when a student at Mount Allison, that he is best remembered by all Allisonians, for he wrote the lyrics of the "Alma Mater" song. Since 1906 this song has been sung by students at the University and by Allisonians throughout the world. Dr. Bell served on the Board of Regents from 1948-1951. He died in 1965.

In 1965 Mount Allison received Dr. Winthrop Bell's entire library, more than half of which is a very valuable collection of Acadiana.
